These . . . your school years . . . are ones which will always be cherished and replayed in your mind, time an time again. "Instant Replay" is thus the fitting title for such a book as we, the annual staff, try to capture th special moments and activities which have occurred this past year. Just how many times each and every one o us have had some "remember when . . . " to recall and share with our friends, there is no way of counting. I'm sure we all have our special memories from kindergarten round-up to our first time setting foot on third floo From times on the playground, to our three minutes in study hall, we've laughed together and lived through it al A camera is a special gadget, which here, it's shutter can catch only glimpses, of the many precious moment which we all live and re-live.

I can only hope and pray that as the years go by, and the classes graduate and go there separate ways, eac member will look back and "replay" the super memories that school friends have brought about. Our teacher have watched us grow "from punky little kids, to young adults" and have done their best to leave their ow mark in our minds for our own benefit.

The year is over,
1980-81 is through.
As members of the annual staff,
We've tried to capture it for you.

We hope that someday in the future near,
We will all meet up again,
To recall the special memories,
But we'll keep them here 'till then.

"Southern Nights"

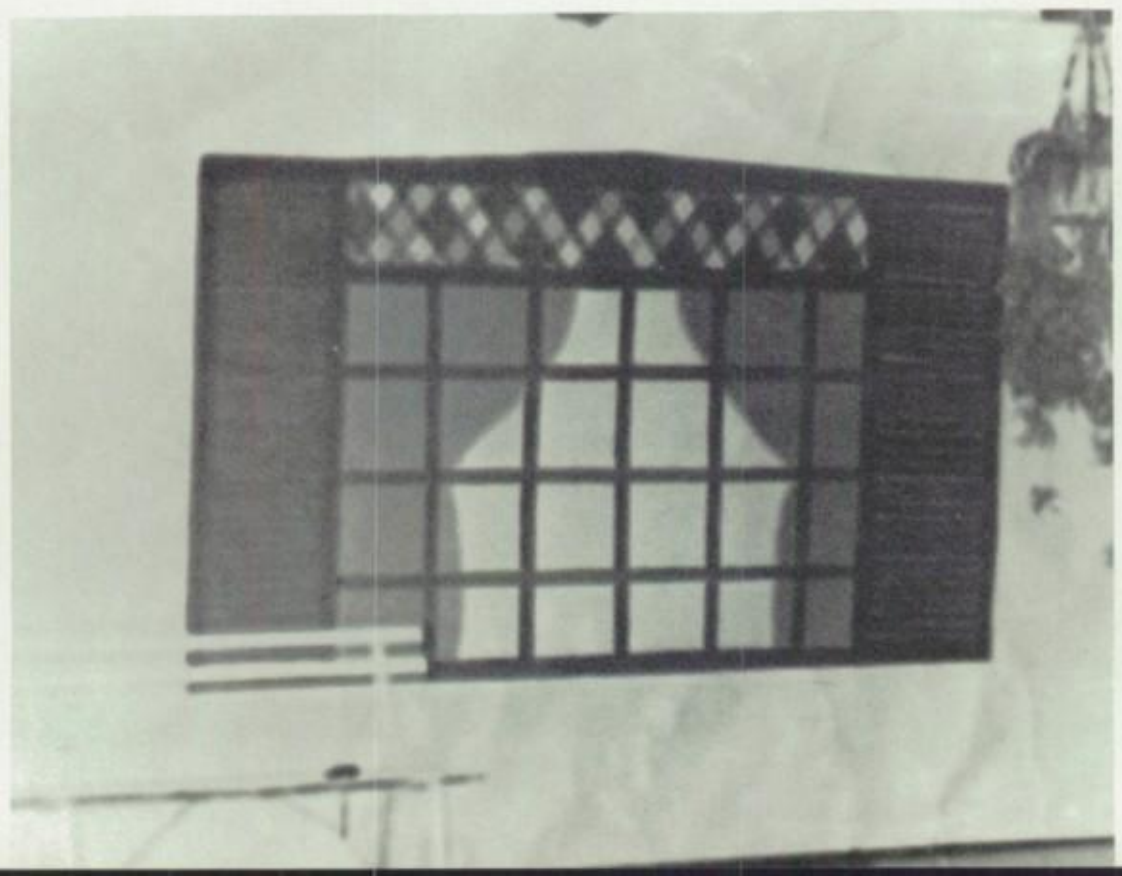
Saturday evening

April twenty-fifth

Nineteen hundred and eighty-one

High School Gymnasium

"SOUTHERN NIGHTS" was the theme for this year's Ju nior-Senior Prom. They accomplished this by making the gymanism and lobby look like a southern plantation home The Juniors worked faithfully for months in advance t get everything just "perfect" for the seniors. "Bad Repu tation" was the name of the band who kept us dancing all night long. The movie "Hooper" then followed. All o this festivity took place on April 25, 1981.



A POEM TO THE SENIORS

Another year goes by
As another class grows old.
But through the friendships we have made
We'll be so ever bold.
At time though we have rivaled,
We can think back on the past
And recall favorite memories
We know will last and last.
We've spent many years here,
Must be twelve or thirteen, about,
But, it seems much of that time was spent
Thinking of excuses and ways to get out!
So as tonight has brought you here,
The special night has now arrived.
The work's aside, it's time to begin,
And all for you, this was contrived.

Outstanding Instumentalist

Marilyn Wingert

The name plate on the instrumental plaque revealed the name of Marilyn Wingert, to be honored this year as the outstanding instrumentalist for 1980-1981. Marilyn kept herself busy during the year preparing herself early for the small group contest which lay ahead. If someone wished to find her during her free period of the day, they would have to go only one place . . . the band room! Marilyn certainly did her part in the concerts, contests, and small group performances, and was always eager to fill in wherever she was needed. She earned 4 letters and 24 music medals throughout her high school years, and now in conclusion, her place on this special plaque kept at school.

Congratulations, Marilyn, and may you always keep your interest in music as you have demonstrated in the past.

Outstanding Vocalist

Shari Schroder

The plaque was held firmly and the paper pealed back. Shari Schorder was the recipient of the vocal award for 1980-1981. Shari was very active in this field throughout all of her high school years. She kept a full schedule but always found time for her music which included: mixed chorus, girls' glee, swing choir, duets, solos, sextets, quartets, and all-state try-outs through all four years. Shari was, also, an accompanist during her freshman, sophomore, and junior years. She was a member of the madrigal, and mixed quartet for three years and the groups sang at various churches, retirement homes, and community events. The All-State try-outs were in her schedule her sophomore and senior year, both times an alto. Shari was an alto, second soprano, and first soprano at different times during music, depending on where they needed her. She earned 4 music letters and 28 medals throughout her high school years.

Congratulations, Shari, and may you always enjoy and exercise your music talent in the near future and always.

This year leaves five seniors behind in its music career. Pictured at the right are: Shari Schroder, Mary Frances Rau, Marilyn Wingert, Deanne Plumb, and Doreen Dea. Each holds a plaque which they had a part of earning. The plaques will be kept in the trophy case at the school.
